

**NICOR ENERGY LLC RESPONSE TO  
STAFF OF THE ILLINOIS COMMERCE COMMISSION  
DATA REQUESTS**

JH-1      How many customers are still being billed for service?

Response

There are currently approximately 4,600 accounts being billed for cycles that ended in May. Nicor Energy expects that bills for those billings should be completed within the next several weeks. Billing is being performed by Constellation Energy, pursuant to a services agreement with Nicor Energy.
